LETTER REGARDING COMMUNICATION  
CONCERNING INFORMATION DISCLOSURE STATEMENT

An Office communication was mailed on April 20, 2005, regarding a supplemental information disclosure statement (IDS) mailed March 1, 2005. The Office communication states that the "English translations filed on 04 March 2005 are not considered since it is too late because the prosecution has been closed." However, the supplemental IDS included a statement in compliance with 37 C.F.R. §1.97(e)(2) and the fee as required under 37 C.F.R. §1.17(p). Thus, pursuant to 37 C.F.R. §1.97(d) the English translations should be considered even though they were provided after the mailing of the Notice of Allowance. A notice to this effect from the U.S. Patent Office is respectfully requested.

Respectfully submitted,
